

## Q2 2013 Timberland Factory Disclosure

This list includes active factories as of June 30, 2013. Although our supply chain sources may change from time to time, the list represents our best attempt to disclose all of Timberland's active factories as of that date. We believe, along with others in our industry, that factory disclosure and collaboration can create common standards and shared solutions – helping to advance global human rights in all of our factories.

The factories on this list include Footwear (FTWR) manufacturers, our footwear leather suppliers (TAN); our direct-sourced Accessories and Gear (ACC), (GEAR); our Timberland Apparel (APP) manufacturers and those factories that produce for our Distributors (DIS) and most Licensees (LIC). This list includes the names and locations of factories used by GoLite and ten of our other Licensees (LIC).

The factory list includes the name, address and business unit for each location.
